Welcome to Central Kitsap High School!

Principal Steve Coons

Our district's mission is to equip our students with the knowledge and skills to succeed and prosper in an ever-changing global society. Our school's mission and focus is "Dedicated to Excellence." Since 1924, our community has supported this tradition of excellence, and we continue to produce great graduates prepared for life and work in the 21st Century.

CKHS has high academic performance expectations for ALL students. We believe

that all students are capable of performing at high levels, and we provide the support to help them reach these expectations. Our staff works hard to help students understand that effort and attitude are determining factors of academic achievement.

We enjoy the volunteer services of many parents and community members. You can also join us in providing a quality education for students by calling us at (360) 662-2400.

About our school

Central Kitsap High School is a four-year comprehensive high school providing educational services to approximately 1,425 students. We are located on a forty-acre campus.

The building is open for instructional purposes Monday through Wednesday from 6:45 a.m. to 5:00 p.m., and until 3:30 p.m. Thursday and Friday. The school consists of 72

classrooms. We have a well-equipped library, a 279-seat auditorium, and fully equipped science, automotive and manufacturing technology laboratories.

CK High School currently operates on a six-period day, allowing students flexibility to explore a variety of courses.

In 2015, for the thirteenth time, CKHS was awarded national recognition for being among America's most challenging high schools. We ranked sixth in the state!

Success for all students

We use a team approach to school improvement planning. The 12-member team includes representatives from each department and subject area who meet monthly throughout the year.

Staff analyzes current data and works toward culturally responsive teaching as well. WCAP scores, SAT/ACT results, AP testing, discipline and attendance data are reviewed by staff members in small and large groups and observations and narratives are crafted to formulate goals. You may review the results of our students' state assessments online at <http://reportcard.ospi.k12.wa.us>.

Our current growth initiatives focus on three major themes: improving student engagement, improving the academic performance of under-represented populations, and making significant strides in technological advancements for teaching and learning.

In 2015, *US News & World Report* ranked us on its list of the nation's best high schools—an award that reflects many areas of achievement for ALL students.

Good attendance is a great way to promote success in school. During the 2014-15 school year, our daily attendance rate was 83.0%.

Want to learn more? Detailed reports on individual schools are available on the Office of the Superintendent of Public Instruction (OSPI) website. Reports include demographics, progress over time, gender, ethnicity, and special program information. Visit <http://reportcard.ospi.k12.wa.us>.

The CKSD 2014-15 per-student expenditure of approximately \$10,837 included \$7,714 for "basic education" and \$3,123 for "categorical" programs. Our annual budgets are always available on our website at www.ckschools.org. Go to *District Business > Budget*.
