## Welcome to CK Middle!

Our school mission is, “Inspiring Lifelong Learning.”

Our dedicated staff of highly qualified professionals model what they teach and set continuing education as a high priority. They work hard to instill a passion for lifelong learning while providing a rigorous curriculum aligned with district and state requirements. These efforts have resulted in continued and improved academic achievement.

**About Us**  
**Middle School**  
Grades 6-8

**School Mascot**  
Cubs

**School Colors**  
Maroon, Gray & White

As of 2016-17, our middle school model began serving students in grades 6, 7 and 8. The 2015-16 school year was our last year serving only grades 7 and 8.

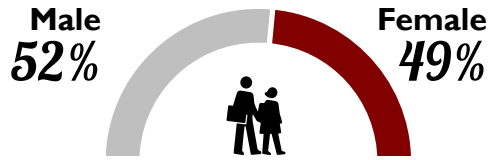

## Volunteer at CK Middle

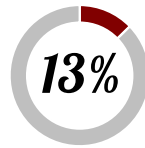

We encourage all parents and citizens to participate in school activities. To volunteer, please call the school office at (360) 662-2300.

## Our School

We have 41 classrooms, a library, two gymnasiums, a cafeteria, and a separate band and choir facility with adjoining practice rooms. These resources are used for instruction Monday through Friday, 6:45 a.m. to 4:30 p.m.

With the passage of the bond in February 2016, our school (built in 1952) will be replaced. Construction is now underway. The middle school building will be completed in early 2019 and will feature state of the art instructional resources and a turf field.

## Success for All Students

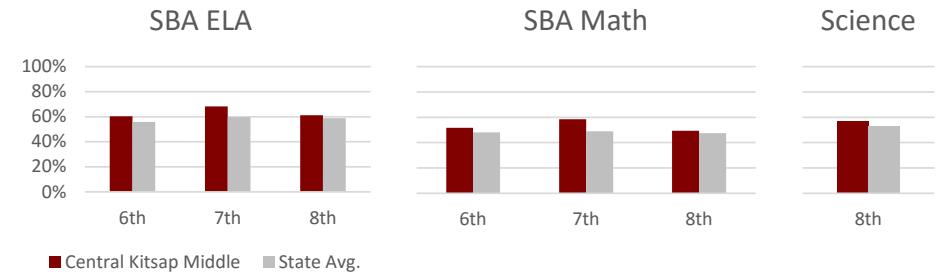

Our school has an experienced staff of certificated teachers and classified support employees. Many members of our staff have specialized training, and 80% of our teachers have taught for five or more years.

Along with an academically rigorous core program, we offer a well-rounded, extensive selection of elective programs geared to student interest. This includes a world language option; various fine and performing arts courses; interesting vocational options including manufacturing, robotics, computer programming, and food science; and special academic offerings such as leadership and Honor Society. We also house the district's magnet program for middle school gifted students.

## State Testing Results

Each year, we look at our student performance data on multiple measures. From these results we set our goals and areas of focus for the following school year. We set goals in the areas of literacy, math, science, attendance and physical, emotional, and intellectual safety. You may view our school's plan at [CKMiddle.CKschools.org](http://CKMiddle.CKschools.org) > Info > About > School Performance.
