Our School

John D. "Bud" Hawk Elementary at Jackson Park is adjacent to the Bremerton Naval Hospital and The Landing at Jackson Park Navy Family Housing. Our instructional day is 8:20 a.m. to 2:35 p.m., except Thursdays when students are dismissed at 1:05 p.m.

Hawk Elementary at Jackson Park is a two story-building with four wings, comprising 60,836 square feet. The first floor houses the multi-purpose room and gym area, and the second floor houses the library.

Success for All Students

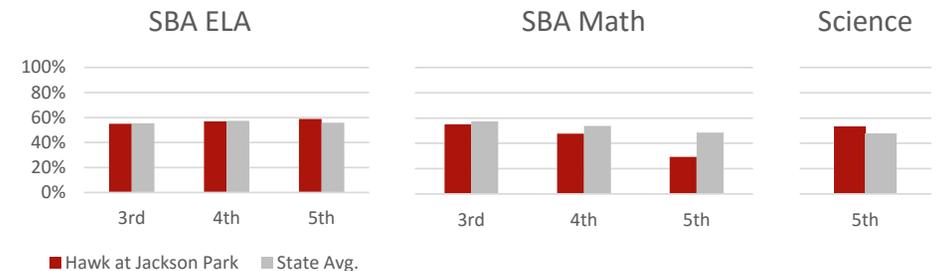

Our staff believe that all students can learn, and we are committed to continuous improvement in the classroom. During Common Planning Time, Early Release Days, and Learning Improvement Days, classroom teachers analyze assessment data in order to identify specific strengths and weaknesses and guide improvement efforts.

As a learning community, we continue to plan effective and intentional instruction focused on the state standards. In the Extended Learning Day, teachers individualize reading and math instruction for small groups of students after school.

State Testing Results

Each year, we look at our student performance data on multiple measures, and design our School Improvement Plan to target identified areas of need. You may view our school's plan at Hawk.CKschools.org > Info > About > School Performance
