Welcome to Ridgetop!

Whether it's our challenging curriculum, our strong athletic program, or our rich and varied co-curricular opportunities, to fulfill our mission we seek to form a strong partnership with our parents and community. This partnership has been essential in creating our legacy of excellence.

Our Mission

Our school's mission statement is, "Staff, students, and parents work together to develop responsibility, respect, and lifelong learning." We take our mission very seriously. Everything we do, in fact, is focused on helping our students achieve.

Volunteer at Ridgetop

We encourage all parents and citizens to participate in school activities. To volunteer, please call the school office at (360) 662-2900.

Our School

Ridgetop opened in September 1986. We have two gyms, a library, two music rooms, support service spaces, and an office area. Adjacent to the building are playgrounds and athletic fields.

The 2016-17 was the first year that we welcomed in 6th graders to our middle school so that we were three grades strong. In September, 2/3rds of our students were brand new to Ridgetop, along with many new staff. Working hard, we were “All in This Together” and were successful in opening the 6-8th grade-version of Ridgetop.

Success for All Students

Ridgetop staff continues to work toward improving student learning. Our 2018-19 School Improvement Plan includes strategies for helping all students meet state standards in reading, writing, math and science. Teachers collaborated to focus on creating common curriculum frameworks, rubrics and assessments. Teachers also focused on integrating technology into the classroom and daily lessons. We stress Relationships, Responsibility, Respect and Resilience.

Our experienced faculty and staff have specialized training and are involved in professional development on a continuing basis. Ridgetop teachers’ positive energy and professional orientation engages students and involves them actively in the process to make Ridgetop an exciting learning community.

State Testing Results

Each year, we look at our student performance data on multiple measures, and design our School Improvement Plan to target identified areas of need. You may view our school’s plan at Ridgetop.CKschools.org > Info > About > School Performance.
