

2017 Annual School Performance Report

CK Silver Ridge Elementary School

10622 Hillsboro Drive NW • Silverdale, WA 98383

(360) 662-9500 • <http://silverridge.ckschools.org>

Welcome to Silver Ridge Elementary!

Silver Ridge was named a 2016 School of Distinction, an award earned by only the top 5 percent of improving schools in the state.

Our district's mission is to equip our students with the knowledge and skills to succeed and prosper in an ever-changing global society.

Our school's mission is, "Coming together to engage and inspire excellence." The staff at Silver Ridge Elementary take great pride in their efforts to provide the best educational program for all students.

Teachers and support staff are focused on student success and make every possible effort to ensure Silver Ridge students experience a challenging and rewarding educational program.

We welcome your involvement, and we invite you to join with us to provide a strong educational program for our students. To volunteer, please call the school office at (360) 662-9500.

About our school

Silver Ridge opened in 1990 with an emphasis on incorporating many of the best practices in education. Students (grades K-5) receive a rigorous education in an open concept environment.

We emphasize character education while holding students to high academic standards. Students have ready access to

technology to enhance their learning and prepare them for future opportunities.

Currently, our building houses 16 classrooms, TEAM Multiage program, and a year-round day care program open from 6:00 a.m. until 6:00 p.m. The building also incorporates space for library, music, art, and physical education activities.

Silver Ridge focuses on building relationships to ensure that students receive a rigorous education in a caring environment.

Success for all students

Each fall, we review the results of the state test called the SBA, "Smarter Balanced Assessment." Students are tested in reading, writing, math and science. You may view our results online at <http://reportcard.ospi.k12.wa.us>.

We use these results as we consider our School Improvement Plan and set goals for the year. During the 2016-17 school year, we focused on continued improvement in reading and also placed an emphasis on writing instruction and math fact fluency. We have a rigorous intervention program in both reading and math. We are dedicated to analyzing student data and making adjustments to

classroom instruction. Teachers also worked on using formative and summative assessment data to inform instruction for all students.

With support from the district, we also focused on closing the achievement gap. Our work with a consultant and our district diversity specialist helped us implement strategies to guide us in meeting the needs of our diverse population.

Good attendance is a great way to promote success in school. During the 2016-17 school year, our daily attendance rate was 95.55 percent.

Want to learn more? Detailed reports on individual schools are available on the Office of the Superintendent of Public Instruction (OSPI) website. Reports include demographics, progress over time, gender, ethnicity, and special program information. Visit <http://reportcard.ospi.k12.wa.us>.

The CKSD 2016-17 per-student expenditure of approximately \$12,417 included \$9,669 for "basic education" and \$2,748 for "categorical" programs. Our annual budgets are always available on our website at CKschools.org. Go to *District Business > Budget*.
