## Our School

Emerald Heights Elementary opened in 1993. The building is used for instruction from 8:00 a.m. to 4:00 p.m. during the school year.

Emerald Heights is a two-story building with the library located in the middle as our “resource center” for student learning. There are 25 kindergarten through 5th grade classrooms (including portables), support service spaces, library, gym, music room, learning center, handicapped preschool, and daycare.

Emerald Heights is also the home for the district’s elementary gifted program, which serves students in grades two through five.

## Success for All Students

Emerald Heights’ students, parents, staff and community work together to provide:

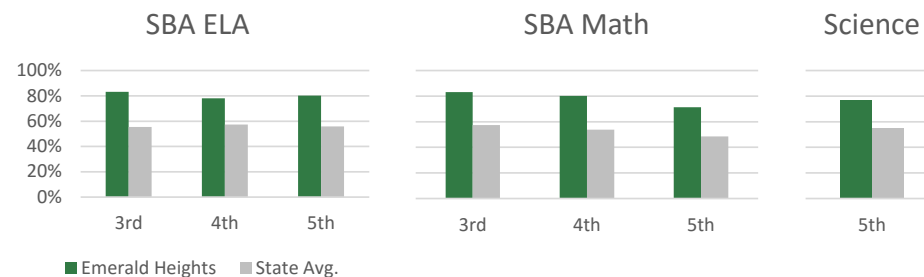

- ▶ A challenging curriculum
- ▶ A safe, caring environment
- ▶ Opportunities for real-life learning

At Emerald Heights, we are committed to looking for ways to refine our instructional practices in all areas to continuously improve student performance. Teachers participate in a variety of staff development activities designed to support their work in all subject areas.

## State Testing Results

Each year, we look at our student performance data on multiple measures, and design our School Improvement Plan to target identified areas of need. You may view our school’s plan at [EmeraldHeights.CKschools.org](http://EmeraldHeights.CKschools.org) > Info > About > School Performance
