

STUDENTS

International Exchange Students

The Central Kitsap School District provides the opportunity for international exchange students to enroll in its schools. The admission of these students is based upon their meeting criteria established for the acceptance of regular resident and nonresident students. Organizations sponsoring international exchange students must meet the criteria established in the procedures applicable to this policy.

International exchange student is defined as a student from a foreign country studying in the United States under the sponsorship of an authorized exchange organization. All such sponsoring organizations must be pre-approved by the United States Information Agency (USIA).
