

STUDENTS

Student Academic Achievement Activity Support

The Central Kitsap School District Board of Directors encourages approved student academic participation at the local, state, and national level. The District will support such approved activities within available District funds for local and state participation. School District sponsored activities planned for in advance will be supported on a matching basis for regional and national competition within available budget amounts. Approved activities would consist of the activities according to those approved by NASSP and those not approved should be brought to the Board's attention.

Adoption Date: September 12, 1984

Revised: May 23, 2001
