Sexual Harassment of District Staff Prohibited

Informal Complaint Process

Anyone may use informal procedures to report and resolve complaints of sexual harassment. Informal reports may be made to any staff member, although staff will always notify complainants of their right to file a formal complaint and the process for same. Staff will also direct potential complainants to an appropriate staff member who can explain the informal and formal complaint processes and what a complainant can expect. Staff will also inform an appropriate supervisor or professional staff member when they receive complaints of sexual harassment, especially when the complaint is beyond their training to resolve or alleges serious misconduct. Informal remedies include:

- An opportunity for the complainant to explain to the alleged harasser that his or her conduct is unwelcome, offensive or inappropriate, either in writing or face-to-face;
- A statement from a staff member to the alleged harasser that the alleged conduct is not appropriate and could lead to discipline if proven or repeated; or
- A general public statement from an administrator in a building reviewing the District sexual harassment policy without identifying the complainant.

Informal complaints may become formal complaints at the request of the complainant, parent, guardian, or because the District believes the complaint needs to be more thoroughly investigated and/or is necessary for purposes of imposing appropriate disciplinary action.

Formal Complaint Process

Level One – Complaint to District

Anyone may initiate a formal complaint of sexual harassment, even if the informal complaint process is being utilized. Potential complainants who wish to have the District hold their identity confidential will be informed that the District will almost assuredly face due process requirements that will make available to the accused all of the information that the District has related to the complaint. The District will, however, fully implement the anti-retaliation provisions of this policy to protect complainants and witnesses. Student complainants and witnesses may have a trusted adult with them during any District-initiated investigatory activities. The superintendent or designated compliance officer may conclude that the District needs to conduct an investigation based on information in his or her possession, regardless of the complainant's interest in filing a formal complaint. The following process will be followed:

- The compliance officer will receive and investigate all formal, written complaints of sexual harassment, or information in the compliance officer's possession that the officer believes requires further investigation. Upon receipt of a complaint, the compliance officer will provide the complainant a copy of this procedure.
- All formal complaints will be in writing and will set forth the specific acts, conditions, or circumstances alleged to have occurred and to constitute sexual harassment. The compliance officer may draft the complaint based on the report of the complainant for the complainant to review and approve.
- The time period for filing a complaint is one year from the date of the occurrence that is the subject matter of the complaint, unless the complainant was prevented from so filing due to: 1) specific misrepresentations by the District that it had resolved the problem forming the basis of the complaint; or 2) withholding of information that the District was required to provide under WAC 392-190-065 or WAC 392-190-005.
- Complaints may be submitted by mail, fax, e-mail or hand-delivery to any district, school, or to the District compliance officer responsible for investigating sexual harassment complaints. Any District employee who receives a complaint that meets these criteria will promptly notify the compliance officer.
- The District is prohibited by law from intimidating, threatening, coercing or discriminating against any individual for the purpose of interfering with their right to file a complaint under this policy and procedure and from retaliating against an individual for filing such a complaint. The School District and complainant may agree to resolve the complaint in lieu of an investigation. If the complaint is resolved to the satisfaction of the involved parties, no further action will be taken on the complaint.
- When the investigation is completed the compliance officer will compile a full written report of the complaint and the results of the investigation. If the matter has not been resolved to the complainant's satisfaction, the superintendent will take further action on the report, as provided below.
- The superintendent will respond in writing to the complainant and the accused within thirty (30) calendar days of receipt of the complaint, unless otherwise agreed to by the complainant or if exceptional circumstances related to the complaint require an extension of the time limit. In the event an extension is needed, the District will notify the complainant in writing of the reason for the extension and the anticipated response date. At the time the District responds to the complainant, the District must send a copy of the response to the Office of the Superintendent of Public Instruction.
- The response of the superintendent or designee will include: 1) a summary of the results of the investigation; 2) a statement as to whether the District has failed to comply with sexual harassment laws; 3) if non-compliance is found, corrective measures the District deems necessary to correct it; and 4) notice of the complainant's right to appeal to the School Board and the necessary filing information. The superintendent's or designee's response will be provided in a language the complainant can understand and may require

language assistance for complainants with limited English proficiency in accordance with Title VI of the Civil Rights Act of 1964.

- Any corrective measures deemed necessary will be instituted as quickly as possible, but in no event more than thirty (30) days after the superintendent's mailing of a written response, unless the accused is appealing the imposition of discipline and the District is barred by due process considerations or a lawful order from imposing the discipline until the appeal process is concluded. Staff may also pursue complaints through the appropriate collective bargaining agreement process or anti-discrimination policy.

Level Two - Appeal to Board of Directors

If a complainant disagrees with the superintendent's or designee's written decision, the complainant may appeal the decision to the District Board of Directors, by filing a written notice of appeal with the secretary of the Board within ten (10) calendar days following the date upon which the complainant received the response.

The Board will schedule a hearing to commence by the twentieth (20th) calendar day following the filing of the written notice of appeal, unless otherwise agreed to by the complainant and the superintendent or for good cause. Both parties will be allowed to present such witnesses and testimony as the Board deems relevant and material. Unless otherwise agreed to by the complainant, the Board will render a written decision within thirty (30) calendar days following the filing of the notice of appeal and provide the complainant with a copy of the decision. The decision will be provided in a language that the complainant can understand which may require language assistance for complainants with limited English proficiency in accordance with Title VI of the Civil Rights Act. The decision will include notice of the complainant's right to appeal to the Superintendent of Public Instruction and will identify where and to whom the appeal must be filed. The District will send a copy of the appeal decision to the Office of the Superintendent of Public Instruction.

Level Three - Complaint to the Superintendent of Public Instruction

If a complainant disagrees with the decision of the Board of Directors, or if the District fails to comply with this procedure, the complainant may file a complaint with the superintendent of public instruction.

1. A complaint must be received by the Superintendent of Public Instruction on or before the twentieth (20) calendar day following the date upon which the complainant received written notice of the Board of Directors' decision, unless the Superintendent of Public Instruction grants an extension for good cause. Complaints may be submitted by mail, fax, electronic mail, or hand delivery.

2. A complaint must be in writing and include: 1) a description of the specific acts, conditions or circumstances alleged to violate applicable anti-sexual harassment laws and/or policies; 2) the name and contact information, including address, of the complainant; 3) the name and address of the District subject to the complaint; 4) a copy of the District's complaint and appeal decision, if any; and 5) a proposed resolution of the complaint or relief requested. If the allegations regard a specific student, the complaint must also include the name and address of the student, or in the case of a homeless child or youth, contact information, as well as the name of the student's school where he or she attends.
3. Upon receipt of a complaint, the Office of the Superintendent of Public Instruction may initiate an investigation, which may include conducting an independent on-site review. OSPI may also investigate additional issues related to the complaint that were not included in the initial complaint or appeal to the superintendent or Board. Following the investigation, OSPI will make an independent determination as to whether the District has failed to comply with RCW 28A.642.010 or Chapter 392-190 WAC and will issue a written decision to the complainant and the District that addresses each allegation in the complaint and any other noncompliance issues it has identified. The written decision will include corrective actions deemed necessary to correct noncompliance and documentation the District must provide to demonstrate that corrective action has been completed.

All corrective actions must be completed within the timelines established by OSPI in the written decision unless OSPI grants an extension. If timely compliance is not achieved, OSPI may take action including but not limited to referring the District to appropriate state or federal agencies empowered to order compliance.

A complaint may be resolved at any time when, before the completion of the investigation, the District voluntarily agrees to resolve the complaint. OSPI may provide technical assistance and dispute resolution methods to resolve a complaint.

Level Four - Administrative Hearing

Either the complainant or the District may appeal the written decision of the Office of the Superintendent of Public Instruction by filing a written notice of appeal with OSPI within thirty (30) calendar days following the date of receipt of that office's written decision. OSPI will conduct a formal administrative hearing in conformance with the Administrative Procedures Act, Chapter 34.05, RCW.

Training and Orientation

A fixed component of all District orientation sessions for staff, students and regular volunteers will introduce the elements of Policy 5011. Staff will be provided information on recognizing and preventing sexual harassment. Staff will be fully informed of the formal and informal complaint processes and their roles and responsibilities under the policy and procedure. Certificated staff will be reminded of their legal responsibility to report suspected child abuse, and how that responsibility may be implicated by some allegations of sexual harassment. Regular volunteers will get the portions of this component of orientation relevant to their rights and responsibilities.

Students will be provided with age-appropriate information on the recognition and prevention of sexual harassment and their rights and responsibilities under this and other District policies and rules at student orientation sessions and on other appropriate occasions, which may include parents. Parents will be provided with copies of this policy and procedure and appropriate materials on the recognition and prevention of sexual harassment.

A copy of the District's sexual harassment policy must be included in any publication of the District or of a school that sets forth the rules, regulations, procedures, and standards of conduct for the school or School District. The policy must also be conspicuously posted in each School District, and provided to each employee, volunteer, and student.

As part of the information on the recognition and prevention of sexual harassment staff, volunteers, students and parents will be informed that sexual harassment may include, but is not limited to:

- Demands for sexual favors in exchange for preferential treatment or something of value;
- Stating or implying that a person will lose something if he or she does not submit to a sexual request;
- Penalizing a person for refusing to submit to a sexual advance, or providing a benefit to someone who does;
- Making unwelcome, offensive or inappropriate sexually suggestive remarks comments, gestures, or jokes; or remarks of a sexual nature about a person's appearance, gender or conduct;
- Using derogatory sexual terms for a person;
- Standing too close, inappropriately touching, cornering or stalking a person;
or
- Displaying offensive or inappropriate sexual illustrations on school property.
