

WE ARE KLAHOWYA

STUDENTS – STAFF – COMMUNITY

Educational Equity benefits our Students,
our Staff and our entire Community

At KSS we believe that:

- Every student has the **Potential to Achieve**
- Every student has the **Right to be Affirmed and Supported** to meet her or his highest potential
- Every student has the **Right to an Equitable Educational Experience**

At KSS we expect students to commit to the following:

- **Reflecting** on your own identity, experiences and perspectives
- **Advocating** for issues about which you are passionate
- **Listening** to understand each other's perspectives, recognizing that listening does not constitute agreement
- **Engaging** in informed, thoughtful and respectful dialogue

The concept of **Educational Equity** goes beyond formal equality (where all students are treated the same) to fostering a barrier-free environment where all students have the opportunity to benefit equally.

Do you see an inequity at KSS or within the Central Kitsap School District?

If so, please take some time to fill out the Equity Inquiry Form available on our school website. Hard copies are also available at the Main Entrance.
